and
Bill von Hippel (University of New South Wales)

Sponsored by: University of New South Wales, Macquarie
University, and the Australian Research Council

Coogee Bay Hotel, Coogee Beach, Australia
15-18 March, 2004

Symposium Program:

Monday, 15 March, 2004

<i>6-8.00pm</i>	<i>Reception (drinks and nibblies)</i>
<i>8-8.40pm</i>	Kip Williams (Macquarie University), Joseph P. Forgas (UNSW), & Bill von Hippel (UNSW): <i>Welcome!; Opening remarks; history of symposium; schedule of events, contracts distributed for signing, etc.</i>

After the opening remarks, you may still wish to go out for dinner. There are several nice relatively inexpensive places to eat in Coogee (see Restaurant Guide, or just walk and choose). Enjoy.

For tomorrow:

The timetable for the symposium was designed to provide ample time for both formal and informal discussions, as well as interaction between participants.

Each session will last 45 minutes. The actual presentation should take about 30 minutes, with about 15 minutes scheduled for discussion (somewhat flexible). However, the program (intentionally) contains buffer periods, so that the discussion time can be extended if necessary.

We also hope to organise a number of informal activities during breaks and after the sessions finish each day (swim, surf, walks, lunch in different locations, maybe three-person ball toss games where one person gets ostracized, etc.). This timetable is for guidance only; the final schedule and timetable will be distributed on arrival.
